## VISION

### Rating: Excellent (4)

The artist has clearly articulated how this guest artist program is relevant to their work and how it would impact them

The artist has new and exciting offerings for their social media and blog posts

The artist has either clearly articulated the specific project they will be working on **or** provided a strong explanation of how they'd like to explore their time in residence

### Rating: Good (3)

The artist has competently articulated how this guest artist program is relevant to their work and how it would impact them

The artist has solid offerings for their social media and blog posts

The artist has either articulated the specific project they will be working on **or** provided an explanation of how they'd like to explore their time in residence

Rating: Fair (2)

The artist has vaguely articulated how this guest artist program is relevant to their work and how it would impact them

The artist has limited offerings for their social media and blog posts

The artist has briefly articulated the specific project they will be working on **or** provided an unclear explanation of how they'd like to explore their time in residence

Rating: Poor (1)

The artist has not articulated how this guest artist program is relevant to their work and the impact seems minimal

The artist has no offerings for their social media and blog posts

Their artist does not have a specific project they will be working on nor did they provide a relevant explanation of how they'd like to explore their time in residence
